IMPORTANT! – Your Personal Information and Data

When interacting with MPS, you may choose to give MPS information about your criminal convictions and offences (including alleged offences), your health, race, ethnic origin, sex life, sexual orientation and trade union membership (“Special Category Data”). This happens where that information is relevant to your membership or the actual or potential provision of advice, assistance or indemnity. We may also receive Special Category Data about you from others in connection with membership or advice, assistance or indemnity (eg. from a complainant, claimant, witness, expert, court or regulator).

To find out more about how we collect, use and handle your data including Special Category Data, please see the Privacy Statement on our website medicalprotection.org.

When you tick the box below, you expressly consent to MPS processing your Special Category Data for the purposes of providing you with membership and its benefits (including assistance and indemnity).

I consent

You may withdraw consent to such processing by contacting MPS, but if you do so we will no longer be able to provide you with membership and its benefits.

By signing and returning this form, you agree and confirm that:

- You wish to apply for membership of MPS subject to the Memorandum and Articles of Association

- You understand that membership is not conferred automatically and is subject to approval by MPS
- You acknowledge that any subscription payments made are subject to verification and that acceptance of a payment by MPS does not of itself confirm membership and/or entitlement to request benefits
- You will inform us if your personal circumstances, scope of practice or other details (including in relation to income and number of sessions worked) change
- We may seek information from other professional defence organisations, insurance companies, employers, and/or other third parties in respect of membership and that they may release to us such information

GMC guidance makes it clear that you should provide an indemnity provider, such as MPS, with accurate and up to date information about the scope and nature of your practice and review your membership at regular intervals to make sure that it continues to provide sufficient indemnity for all the medical work that you do.

IMPORTANT NOTES – SCHEDULED AND UNSCHEDULED CARE

For the majority of GP members we currently set subscriptions based on the number of weekly sessions you undertake. We define sessions as either being **Scheduled Care sessions** or **Unscheduled Care sessions**.

Scheduled care

Scheduled care sessions are defined as work undertaken during the scheduled opening hours of the practice (Mon – Sun, 8.00am – 8.00pm) where registered patients are seen by appointment and where staff have access to the patient's full general practice records.

Unscheduled care

Unscheduled care is anything that falls outside of scheduled care. This includes care given at anytime in walk in / urgent care centres. If any of your work is undertaken in unscheduled care then you need to identify this on your application in Section C on page 4.

Please tell us why you have chosen MPS – Your comments are important to us, please tick below

1. Personal recommendation
2. Competitive subscription rates
