

Medical Conference 2022

Working better together

Date	Saturday 26 November 2022
Venue	Convention Centre Dublin (CCD)
Time	11.00 – 14.45
Cost	Free for Medical Protection student members

Overview and Programmes

Medical Protection wants to support our medical students. Your membership provides so much more than a membership number and a free e-book when joining. We are here to support our members through every step of their careers. Each year we host a conference for our Medical members. This year we also want to extend the conference to also provide a seminar for our medical students. At the seminar you will hear from experts providing insight and practical take ways. You will also have the opportunity to ask questions and meet members of the Medical Protection team. The seminar will be run twice, once in the morning and again in the afternoon.

Presenters

Dr James Thorpe – Medicolegal Consultant

Dr Margaret O'Rourke – Director of Behavioural Science/Senior Lecturer School of Medicine, UCC
